Traci Anderson
City of Tavares Parks Supervisor

James Dillon
City of Tavares Director of Public Works

John Drury
Manager, City of Tavares

Via email

Dear Ms. Anderson, Mr. Dillon and Mr. Drury ~

On behalf of the Chamber Alliance of Lake County, which represents our eight chambers serving the businesses of Lake County, we would like to extend our heartiest support for the City of Tavares during the “America in Bloom” program and competition.

We are proud and grateful that the City of Tavares is participating in this nationally-known program and congratulate your City Council and staff members on this undertaking. This demonstrates the City of Tavares’ continued commitment to civic pride and community building, which creates an enhanced and welcoming atmosphere where businesses of all sizes may thrive.

As the “America in Bloom” judges “come to town” on May 2st and 22nd, the Chamber Alliance of Lake County will be rooting for the City of Tavares. Best wishes for another successful year of scoring, and if we can be of service, please reach out. This beneficial program and the feedback you receive is good for business!

Sincerely,

Orin Owen
President
